Farzin R. Karma is the Chairman and Managing Director of Farohar Enterprizes Limited (FEL), one of the leading Specialist Outsourced Services (SOS) organizations for full-range maritime software and IT services.

With its corporate headquarters in Singapore and its ultra-modern worksite in Mumbai, FEL's highly qualified and experienced management team and 400 skilled personnel form a seamless extension to our client companies. FEL is the only organization in the world that is fully owned and managed by maritime business process and ERP solutions experts and specializes in such a wide range of maritime IT and data management services at most cost-effective rates.

Farzin's 14 years' experience as Chief Engineer, and Marine Manager with one of the leading shipping firms combined with his 11 years of experience as Managing Director (covering Asia, Japan, Middle-East and Australia/NZ) with a leading marine ERP knowledge management solutions organization makes him one of the most qualified and experienced experts in effective implementation of maritime software and services.

He has undertaken several CIO assignments with reputed companies, successfully mapping their management goals to available technological systems and selecting, implementing and deploying suitable ERP solutions.

Farzin has also pioneered objective methods of benchmarking, comparative analyses and RoI measurement for ERP systems. He also chairs and speaks at several maritime/offshore and mainstream industry conferences on related subjects.

He is also a qualified Auditor and Head Consultant for management standards such as ISO 9000, 14000, 27000, OSHAS, ISM Code, ISPS and TMSA amongst others, and has successfully implemented improvement and compliance systems for clients.

Farzin has an MBA in International Business and Marketing and holds a degree in Marine Engineering (First Class Hons-UK) along with a host of other credentials. He is a member of the Institute of Engineers and Institute of Marine Engineers.

He is also founding partner and director of a very successful Corporate Services business out of Singapore and India. Please visit www.mccorporate.com.sg for details and serves on the Board of Directors of several Singapore-based corporations.
